

# BioBlitz

BioBlitz is a **24-hour race** against the clock to count as many species as possible: birds, bugs, butterflies, frogs, fish, fungi, mammals, plants - -- you name it!!!

A race against the clock...  
a mission of discovery.

# Spring

24  
hour

Noon to Noon

# BioBlitz

**Saturday, May 16 & Sunday, May 17**

**Climbers Run Nature Preserve**

**226 Frogtown Road, Pequea, PA 17565**

**Join local professors, students,  
naturalists & citizen scientists!!!**

*The Lancaster County Conservancy is proud to host this event with Millersville University & partner with many conservation organizations in inspiring others...including you to explore and learn about the natural world!*

Event is **FREE** to public,  
donation of \$10 welcome!
